2651 / Mini tool bag

COLORS:

This mini lifting bag is one of the front runners in the industry and is mainly used for hoisting minor tools in daily work situations. Due to its discrete size the 2651 can also be secured to the technicians belts and used when working in heights.

- **Dimensions (open):** 16 x 40 cm (Ø x H)
- **Dimensions (closed):** 16 x 30 cm (Ø x H)
- **Lifting height:** 35 cm
- **Material (main):** D1800*900 PVC flat-coated material
- This handy bag has one lifting strap for hoisting and handling.
- It has securing holes to secure tools to the bag on both the front and back side.
- Comes with a hard plastic bottom plate inside the bag to offer weight distribution.
- Comes with an upright plastic insert for easier visibility inside and making the bag stable and upright.
- The upright plastic has small pockets for minor items placed all around the bag.
- To close the bag, fold the top part three times and shut the plastic buckle.
- The lifting strap is made from high quality polyester webbing.

This model complies to the relevant parts of the following standards:

- EN 1492-1
- ISO 21898
