COLOR OPTIONS:

EN 1492-1

ISO 21898

Drawing inspiration from our best-selling 4389 backpack, the 4390 tool bag is designed for hardworking technicians who frequently navigate rough terrain. Built to withstand tough conditions, it offers a durable solution while still being compact enough to carry personal items, small equipment, a laptop, and even a lunch box.

- **Dimensions (open):** 33 x 20 x 46,5 cm (L x W x H)
- **Dimensions (closed):** 33 x 20 x 46,5 cm (L x W x H)
- **Lifting height:** 65 cm
- **Material (Orange):** 0,75 mm Heavy tarpaulin
- **Material (Black):** D1800*900 PVC flat-coated polyester
- **Spare parts:** 6197, 6242

- The backpack is made from heavy tarpaulin and is therefore water repellent against rain and water spray.
- The shoulder straps are detachable and the bag has a compartment for hiding and securing the detached shoulder straps when hoisting.
- The bag comes with 3 carabiners to prevent the zippers from opening during hoisting.
- A small transparent pocket is placed on the side of the back via velcro. (for name tags or similar)
- Reflection material is mounted on different locations of the bag for higher visibility.
- The three main compartments are padded.
- 11 smaller compartments of various sizes optimizes the inside of the bag.
- It has a special compartment for a laptop.
- The shoulder straps are padded to enhance comfort and adjustable to fit your preferences.
- The lifting strap is made from high quality polyester webbing.
- The bottom of this bag is made from molded PE and offers greater protection against rough surfaces and gives the bag a natural ability to stand up straight.
