5571 / High quality backpack

Color options:

This comfortable backpack is based on the popular 4389 lifting bag. It has the same functional compartments but is more discreet looking and has been enhanced for office/business use.

- **Dimensions (open):** 33 x 20 x 46,5 cm (L x W x H)
- **Dimensions (closed):** 33 x 20 x 46,5 cm (L x W x H)
- **Material:** D1680 and Simili 0.8 mm
- The three main compartments are padded with foam. All three rooms are closed by zipper.
- 12 smaller compartments of various sizes optimizes the inside of the bag.
- It has a special compartment for a laptop.
- The shoulder straps are padded to enhance comfort and adjustable to fit your preferences.
- The inside padding of the bag is black.
- The bottom of this bag is made from dotted PVC which is water repellent and hardwearing.
