## 5937 / Foldable lifting bag for WTC3-GE

COLOR OPTIONS:

This model was designed and constructed specifically for a power module. 5937 is stackable and hoistable.

- **Dimensions (closed):** 137 x 66 x 35 cm (L x W x H)
- 
- All walls can be folded down, making the bag flat and open for easier placement of the module.
  - The walls are hard and sturdy. They can be detached by velcro if needed.
  - The bags can be stacked on top of each other.
  - The bag is closed and secured by velcro and stainless steel buckles.
  - Two sets of lifting slings are placed on the outside of the bag making it possible to hoist the bag either horizontally or vertically.
  - Plastic handles are placed along the sides of the bag for easier handling.
-
